

One family. Two wars. Three countries. What does it take to forge a new life far from home?

Filmed over 10 years, *Constance on the Edge* is an unflinchingly honest portrayal of one refugee family's resettlement story in Australia.

Constance on the Edge gets to the heart of a contemporary untold story about the courage and resilience it takes to build new lives. The film also highlights the important role communities play in encouraging a sense of belonging and enabling participation for everyone.
