## Busy Beginnings

We've had another busy start to the year as we continue to be a hub of activity and community service for people of the Manning Valley!

Thank you for your kindness and respect when visiting our non-for-profit space, many of our workers generously volunteer their time so your kindness and patience goes a long way!

## Volunteer Spotlight - Thank You, Katherine!

Katherine has recently celebrated her third year as a volunteer at MVNS!

Katherine has been the kind voice at the end of the phone, an administrative whizz and we feel so fortunate have her support!

Thank you, Katherine for all of your service - you are an incredible asset to MVNS!

## The Women Kind Collective!

Have you visited The Women Kind Colletive?

While the project funding begins to wrap up further funding opportunities are being explored - including providing support in education and employment for young girls, women and non-binary people.

In the meantime, we'd love for you to visit the WKC Sustainability store at the old NAB Bank 43a Isabella St, Wingham, Open 9:30-2:30 Thursday and Fridays.

## CAN YOU HELP US AT MVNS?

We are seeking people with administrative experience and excellent customer service skills to support the everyday running of our front office space!

If you can spare a few hours a week - we'd love to hear from you! Please stop by MVNS, call or email for more information.
