SHARE THE DIGNITY BAGS

We are proud to partner with Share the Dignity and were able to distribute 50 Share the dignity bags over the festive season! Thank you to our Chairperson Susan Ballard (pictured) for facilitating this initiative!

THANK YOU

Tough Christmas Appeal!

Mid North Coast Outreach, Mid Coast Council, Wesley Mission, R & R Real Estate, APM and CWA Wingham went above and beyond in donating brand new, donated items and financial support for people in need this festive season. We distributed thousands of dollars' worth of gifts, food items and vouchers to ensure that many people could experience some joy and lightness during the holidays.

Did you know that small frequent contributions make a HUGE difference to how we can support our community. You can make a tax-deductible donation to MVNS via our website mvns.org.au or phone 6553 5121 for more information.

Thank you to the generous people and organisations who already make regular contributions!
